Latest Summer Special: *Tecsew Sun Awnings*

Another Summer Special Feature Product of the Month you say??!! Well yes because we are Tecsew, and we like to be generous!

This edition will look at the features of a [Tecsew Sun Awning](#) and why it differs from its competitors.

What makes our Sun Awnings a Summer Stand Out?

Our recent case study is a Hanse 588 Sun Awning which was fitted for a Hanse 575. (Highly versatile, we know!)

A Tecsew Sun Awning is definitely a summer must have as it can provide the much needed shade required, keep you cool and protect your sunbathing areas from damaging UV rays.

Made from the superior Serge Ferrari Soltis mesh fabrics, your Sun Awning will be an eye catching addition to your vessel by creating a nice dappled shade, whilst still allowing free movement of air.

LIKE IT? WANT IT? SORT IT!

If you want to avoid the sizzling sausage impersonation this summer, why not consider a [Tecsew Sun Awning](#)?

Not only will keep your craft looking healthy, but yourself as well!

We can design for any boat, give us a call today!
